

2016 Victoria Dragon Boat Festival Paddler Survey Feedback

Overall, the 2016 Victoria Dragon Boat Festival was a great success! 2016 was a year of transition as Fairway Gorge Paddling Club took over management of the festival and made some exciting changes. Thank you to everyone who responded to our survey we sent out last fall. With feedback from partners, volunteers, and paddlers we have plans to make the festival even better for 2017!

The following are our top priorities for enhancing the 2017 Victoria Dragon Boat Festival based on observations and feedback:

- Expand the size of Paddlers' Village to give more room to teams as well as better pathways through the village
- Create a more cohesive vendor area and beer garden. All vendors, food trucks, sponsor booths, beer sales, stage and seating will be in one area with an open liquor licence, where families are welcome.
- Live entertainment for Saturday night and more accessible cultural acts for families during the day

If you have any questions, please send us an email: info@victoriadragonboat.com
