- Free live bands start -- 2:00 pm
 - 2:00 pm - Backbeat
 - 4:00 pm - Shaky Ground
 - 6:00 pm - TBA

Message from the FGPC Race Management Team

Welcome Teams!

The current version (V1) of the Race Schedule will be provided to you as a separate attachment as soon as it is ready. Check the link on the homepage of www.victoriadragonboat.com for any changes to the schedule. Results and schedules as the racing progresses will be posted at various locations on site during the festival to let you know how your team finishes and when you race next. Results will also be posted on Twitter (@VictoriaDragon) in real time. Every team (Mixed and Women's divisions) will have four races -- two heats on Saturday and a semi final and final on Sunday.

Challenge Races—Corporate, Great Grand Dragon, Breast Cancer, Guts and Glory

The **Corporate Challenge** will run directly following the Saturday morning mixed and women's heats. The top 5 corporate teams will advance to the Corporate Challenge. The **Great Grand Dragon Challenge** will run immediately following the Corporate Challenge. The top 5 Great Grand Dragon teams (women's and mixed) from Saturday morning's races will advance to a Great Grand Dragon Challenge.

The **Breast Cancer Survivor Challenge** will be held prior to the Carnation Ceremony, immediately following the Semi Final races on Sunday morning. Please join us in a show of respect for our Survivor teams by honoring them with a paddle arch as they

disembark following the ceremony.

There are women's and mixed **Guts & Glory Challenges** this year. These races are populated by the 8 fastest crews based on results from the first morning's races in each division. The women's race will be held at 4:30 pm on Saturday, and the mixed race will be held at 4:30 pm on Sunday (after the finals). The women's and mixed Guts & Glory Challenge races are approximately 1500M and involve a total of 5 buoy turns over two circuits of the course. Participating crews line up at and start from the finish line and begin the course in 15 second intervals. Overlap rules apply and be enforced by the water marshalls. The fastest time wins! Women's teams can opt in before 12 noon on Saturday and Mixed teams can opt in until 4pm Saturday. Women's and mixed teams must opt in at the information tent.

The race schedule and race times are subject to change. Please check the website, Twitter and Facebook regularly for updates. Although every effort will be made to stay on schedule, the races can get ahead or behind schedule (i.e. we are dependent on the punctuality of the Coho, the Victoria Clipper, the new V2V Ferry as well as the Harbour Ferry Ballet). Please be on site and prepared to race a minimum of one hour prior to scheduled race times.

A heads up to paddlers who are racing on any combination of Women's and Mixed teams: please note that you will need at least a one heat gap between races. It is not possible to jump from one heat directly into a boat in the next heat (aka "hot-swapping"), as that boat will already have left the dock and can not be held at the docks to wait for paddlers with scheduling conflicts.

Paddles Up!

Stern/Managers' Meeting & Stern Pool

Mandatory! Attendance will be taken.

- Date: Saturday August 11
- Time: 7:00 am
- Location: Main Stage

Sterns and managers are required to attend the stern/managers' meeting. Failing to attend may result in your team being disqualified from racing. Note that the first teams will begin marshalling at 7:30am for the first races of the morning.

The Paddlers Breakfast will be served from 7:00 am until 10:30 am (or until food runs out) so you are encouraged to enjoy a hearty breakfast while attending the meeting.

Tickets may be bought on site.

On Water Safety Message from the Festival Race Starter & Head Water Marshal

Thank you for coming to the Victoria Dragon Boat Festival! Here is a quick review of some important on-water safety points for this weekend's festival.

- Listen to water marshals and follow their directions.
- The course to the start line may change from the north approach, or to the holding area across the harbour. Water marshals make this call based on current marine traffic. Listen and pay attention. Please see "Race Map" to orient yourself to the race course.
- The head water marshal / safety officer will hand the dragon boats over to the starter for your final approach to the start line. Do not cross over the demarcation buoys at the back of the start area! Transport Canada has set this as a NO-GO zone and teams may be penalized for crossing these buoys. See race map for reference (back page).
- Tide and traffic are taken into consideration when preparing to line you up for start. You may not appear perfectly in line in the area ahead of the start line, but boats will be aligned prior to calling the start.
- The 50m rule is in place. We will restart a race if we feel that the race has been compromised in the first 50 metres.
- The start commands will be: "All boats we have alignment. Attention. Horn." (or "GO" if the horn fails)
- Each race will be accompanied by two chase boats. They are there to provide guidance should they see lane encroachment or possible safety issues. Listen to and abide by their instructions please, but always remember: collision avoidance is the responsibility of the sterns.
- The referees will also be watching for wake-riding - they may ask you to increase spacing if they feel wake-riding is occurring. Keep a separation of at least 1.5 metres of clear water between paddles.
- PFDs must be worn by all paddlers, sterns and drummers; inflatable PFDs are permissible at all FGPC-managed races (both hydrostatic and manual, providing air cartridges are operational).
- Amplification (e.g. "cox boxes") or any extra noise making devices are not permitted in the boat during the races.

FGPC's water crew is trained and experienced - with your attention and cooperation, you, your paddlers and our race management team can ensure a safe, fun and successful weekend of racing.

Paddles UP!

Erik Ages, Race Director; Tristan Hayton, Head Water Marshal

Team Check In & Wristbands

Team Check-in:

- Friday August 10, 4:00 pm to 8:00 pm
- Saturday August 11, 6:00 am until the start of Race #1
- Location: Registration (Information) Tent

Only the Team Manager or Captain may check in the team. Remember to bring confirmation of any outstanding online waivers (printout of email confirmation or electronic copy viewable on smartphone or tablet) for any additions to your roster made after 12:00 pm (noon) on Wednesday August 8.

Please Note: changes/additions to your roster will be only be accepted prior to your first race.

Wristbands:

Once your team is checked in (which means all waivers are signed and checked off) wristbands will be given out.

Wristbands must be worn for the entire weekend -- they cannot be put back on and are not replaceable! Without a wristband, team members will not be allowed access to Paddlers' Village or be allowed to compete in any race.

Paddlers' Village:

Opens **Friday August 10 at 5:00 pm** and will remain open until one hour after the Beer Garden closes on Sunday August 12.

Location: [Refer to Map below for location](#)

Teams will be assigned tent locations at check-in. The tents are set up on concrete and are unfurnished.

Please remember to look after your belongings as the Victoria Dragon Boat Festival is not responsible for lost or stolen items.

Every year, family members and friends arrive at Paddlers' Village and are disappointed to find they are not allowed to visit with teams inside. Please tell your friends and family ahead of time that **ONLY THOSE WITH WRISTBANDS CAN ACCESS PADDLERS' VILLAGE.**

Water will be available, as supplies last, in Paddlers' Village. Please bring a reusable water bottle!

Volunteer Stern and Drummer Pool:

We will once again be keeping a list of experienced Sterns and Drummers to help out where requested. Sterns and Drummers **ON EXISTING REGISTERED TEAMS** who are willing to volunteer to steer or drum for other teams should come to the Race Information Tent to be added to the "pool". It is understood that should a scheduling conflict arise, your home team will take priority. It is up to the teams/steers/drummers to connect and let the Race Registrar know which other team they will be steering/drumming for.

Keep it Green! Help us attain our goal of being waste free:

The Canada Dry Victoria Dragon Boat Festival is going green. Your team can help us divert waste from our landfills by following a few easy steps:

1. Deposit empty refundable beverage containers in the appropriate bins, including bins this year for soft foil and soft plastics
 2. Use the Compostable waste containers provided by reFUSE for all compostable waste (paper plates, food scraps, etc.)
 3. Bring your own reusable water bottles
 4. Pack out what you bring in. Teams often leave broken lawn chairs and non-recyclable garbage behind. We appreciate the efforts of teams to take these items with them at the end of the festival.
-

Beer Sales:

Open

- **Friday August 10 from 2:00 pm to 9:00 pm**
- **Saturday August 19 from 11:00 am to 9:00pm**

- **Sunday August 20 from 11:00 am to 9:00pm**

Location: Refer to attached map for location

Bring **2** pieces of Government Issued Identification --you must be 19 or older to enjoy alcohol. You will be given a 19+ wristband. Please take it as a compliment if our security, cashiers, and/or servers ask you to prove your age!

This year the entire site, except for Paddlers Village, will be licensed. Which means you can take your beer or cider and enjoy it on the bleachers while you watch the races!

Parking:

No onsite parking is available. Everyone is encouraged to use public transportation, bike, walk, or carpool as parking may be difficult to find near the festival site. Please bring your own bike lock. Bikes may be secured to the railing on Wharf Street above the festival site. A temporary loading zone to drop off equipment and supplies is set up on Wharf Street and at the turn-around in front of Harbour Air. Please work with your team to ensure vehicles are unloaded quickly and not left unattended as there is very limited space. Unattended vehicles may be towed at the owner's expense.

Awards:

Trophies can be enjoyed at the Victoria Dragon Boat Festival, but can not be taken home. Please enjoy your trophy until the festival wraps up and turn them in at the Beer Garden.

Race Trophies:

Mixed Platinum Division Trophy	Sponsored by Canada Dry, this trophy is awarded to the overall festival winner in the Mixed Division.
Womens' Platinum Division Trophy	Sponsored by CTV, this trophy is awarded to the overall festival winner in the Women's Division
Great Grand Dragon Challenge Trophy	Sponsored by Fairway Markets, the Great Grand Dragon challenge proves age is just a number in this exciting event.
Corporate Challenge	Sponsored by Canada Dry, this trophy is awarded to the top Corporate crew.

Guts & Glory - Mixed Sponsored by Canada Dry, this trophy is awarded to the fastest of the brave and daring crews that enter this gruelling challenge.

Guts & Glory - Womens Sponsored by Canada Dry, this trophy is awarded to the fastest of the brave and daring crews that enter this gruelling challenge.

Other Awards:

VIB Spirit Award Points have been awarded to teams for the weeks leading up to the festival for competitions on social media. There are still chances for teams to earn points until Saturday at 2pm. Points will be awarded for tent decoration, costumes, and anything the spirit committee deems earns points. The team with the highest points will win a pizza party on site Saturday night.

Awards:

There will be gold, silver, and bronze medals awarded to the first, second, and third place teams respectively from the A finals. There will be pins for the first, second, and third place teams from the B consolation finals. Medals and pins can be picked up from the BC Cancer Foundation tent following the finals. Instead of an awards ceremony on stage, teams are invited to pick up their awards at their leisure and get their picture taken in front of our VDBF banner.

General Information

The Paddling Registration Tent will be closed after the first race Saturday morning. No changes to rosters can be made after racing and no additional wristbands will be given out.

General Festival information, City of Victoria attractions and events, downtown maps and more can be found at the Festival Information tent on site. [Refer to site map below.](#) Festival Greeters will also be happy to help if you have any questions! The complete Festival Guide is available on the [VDBF web site.](#)
